General Information

- ✓ First Day of School: Please be in the auditorium with a sign that has your name and room number on it. Please be there before 8:15 a.m. to greet parents and students.
Accept only students that are on your roster or those with a pink slip.
- ✓ Attendance: Make sure your attendance is taken and classification is into the office by **8:45 a.m.** Inaccurate attendance costs us money. We lost \$63,882 last year from students being absent or inaccurate attendance. Get it right the first time, and save another job.
- ✓ General Procedures: Be sure to show your students where they will play at recess. Also, show them where you want them to line up after recess and where they will be eating lunch.
- ✓ Lunch monitors: Please select one or two students to help clean up after the class at the end of the lunchtime. Remind students that we all pitch in to help keep our school clean.
- ✓ Orientation: Please take your class to the cafeteria, restrooms, office, library, lab and playground to familiarize them with the areas and the expected behavior for those areas.
- ✓ ID Badges: are to be worn while on campus. New ones will be issued after Picture Day on October 11th.
