I certify I was not and will not be employed elsewhere during my regular work hours within the time period claimed on this certification. I certify my absence during this period was not and is not for participating in a strike/work stoppage or because of my unwillingness to cross picket lines, and I would have been available for duty if it had not been for the reason cited above. Furthermore, I certify my absence during my hours of assigned duty is because of the listed reason in accordance with the appropriate Collective Bargaining Agreement. I also agree and authorize that once the correct benefit usage charged above is processed, any unearned wages paid as a result will be collected from the next paycheck. I declare under the penalty of perjury that the foregoing is true and correct.
